## ACU Training Course for Road Race Licence Applicants

### **Background information**

As part of the ACU's ongoing policy of rider development and education, all first time applicants for Road Race licences, and riders who have been out of the sport for more than five years and wish to renew their licence, must undergo a Training Course Course(CTC) and a Basic Riding Assessment. (BRA).

The Training Course is classroom-based and designed to ensure that you understand the basic safety and organisational requirements to participate in Road Racing and to pass a simple multiple-choice test at its conclusion.

You must then undergo a Basic Riding Assessment to show you are competent to ride a motorcycle. You can ride any motorcycle but not necessarily a racing motorcycle, and a full set of protective clothing is required.
